The Kooters

RIDER and TERMS

Backline generally carried around:

- Amplifiers and Guitars
- Synthesizer+Amplifiers
- Cymbals, Snare and pedal
- One vocal mic and tape delay

We would be happy if you can provide:

- Bassdrum and Tom(s)
- Stands (1x Hi-hat and at least 2x Crash stands)
- Keyboard Stand
- Bass or Guitar Cabinets

Lighting:

- Dark Atmosphere
- NO FRONT LIGHTS
- We love smoke machines!
- We may bring our own mirrors on stage to reflect the light.

Video

- Video projection may be used, if a projector is available please tell us in advance/we will ask you. If previously notified, provide an accessible table at the back of the venue for the projector and gear.

Don't Forget:

- We are pretty loud+we need a lot of Reverb!

Food/Drinks:

- At least one vegan and one vegetarian option please
- Beer, coffee and flat water in the backstage
- A wine opener is a necessity in the backstage

Backstage

- We generally have 1-3 people who will be joining us in the backstage (Photographers, roadies, merchandise)

Parking:

At least one large parking space necessary, the closer to the door the better.
